

# Saad Najib

Aspiring Cybersecurity Engineer | Computer Engineering Student

+961 81 657577 • saadnajib666@gmail.com • Chehime, Mount Lebanon

## OBJECTIVE

Computer Engineering student at Beirut Arab University (GPA: 3.87/4.0) with a strong interest in cybersecurity, seeking an internship in security, software development, industry-relevant skills and contribute to secure system design.

## EDUCATION

**B.Eng. Computer Engineering — Beirut Arab University**

Sep 2024 – Present

GPA: 3.87 / 4.0 | Relevant coursework: Cryptography, Cybersecurity

**Lebanese Baccalaureate (General Sciences) — Iklim High School**

2024

## AREAS OF INTEREST — CYBERSECURITY

Building foundational knowledge toward a security-focused engineering track, with particular interest in:

- Network Security — securing communication protocols and infrastructure
- Ethical Hacking & Penetration Testing — identifying and addressing system vulnerabilities
- Cryptography — data confidentiality, integrity, and secure authentication
- Application & Software Security — writing defensible, vulnerability-aware code
- Digital Forensics — incident analysis and evidence handling

## TECHNICAL SKILLS

**Languages:** C, C++, Java

**Systems:** Windows, Linux

**Concepts:** Cryptography, Cybersecurity

**Security Interests:** Network Security, Ethical Hacking, Cryptography

**Tools:** Git, GitHub, VS Code, Eclipse

## EXPERIENCE

**Cashier — Local Supermarket | Part-Time**

- Handled point-of-sale transactions, cash handling, and customer service in a fast-paced retail environment
- Built strong attention to detail and accuracy under pressure, and developed reliability and time-management skills

**Private English Tutor | Part-Time**

2021-2024

- Independently managed lesson planning, scheduling, progress tracking, and communication with students

## VOLUNTEERING

- Red Cross Volunteer, BAU Club — supported community health and emergency response activities
- IEEE Committee Member: Event Planner, Public Relations

## LANGUAGES

Arabic (Native), English (Fluent)
